

God's Littlest Angels Haitian Baby Ministry

God's Littlest Angels is a Haitian orphanage located in the mountains above Pétion-Ville, close to the village of Fermathe. We are dedicated to rescuing premature, malnourished, or abandoned children. We care for them in our intensive care unit as needed, then raise them to good health before they are adopted.

GLA Canada is a registered charity and issues receipts once per year, in February. We thank you for your generous support. 100% of these funds will go to Haiti to pay for food, diapers, water, fuel, medicine & other daily needs of the children in our care.

GOD'S LITTLEST ANGELS HAITIAN BABY MINISTRY

GLA's immediate response to the earthquakes in Haiti was to charter two flights to bring in emergency medicines, tents, blankets, tarps, food, baby supplies, Doctors and a few other emergency workers to assist where possible. Now our efforts will continue to provide food, clothing and shelter for these thousands of displaced people while we stand ready to accept new children into our care.
